

Saccolongo, 03/07/2024

DECLARATION OF CONFORMITY

Hereby we certify that the hoses

“TUSIL® ACQUA”

are manufactured according to the procedures of Quality Assurance System certified ISO 9001:2015 and GMP (Reg. (CE) 2023/2006).

Meets the UBA KTW-BWGL guideline requirements and WRAS standards (water up to +85°C).

Moreover, we certify that the liner of the hose above mentioned is compliant to:

- 1907/2006/CE (REACH);
- FDA 21 CFR 177.2600 for aqueous products;
- BfR for aqueous products;
- REGULATION 1935/2004/CE
- UBA KTW BWGL,
- DVGW W 270
- 3-A RPSCQC for (62-02) Hose Assemblies.

Please refer to our data sheets for hose area of application and technical information.

The hoses, before any use, must be cleaned in accordance with our “Cleaning and Disinfection” guidelines available at the link: <http://tudertechnica.com/cleaning-and-disinfection/>

Best regards

Quality Dept.
